

BONIN _ Helen (nee Hutts). November 7, 2002 our beautiful mother, grandmother and great-grandmother quietly slipped away. Predeceased by her husband Germain in August, she leaves to mourn her loving daughter Linda (Ron), beloved grandchildren Steve (Allison) and Tiffany (David) and great-grandchildren Reese and Mia. Helen is also survived by two sisters, Joyce and Jean, many sisters and brothers-in-law, and nieces and nephews. Helen was devoted to her family. She was our best friend, confidante and most ardent supporter. We will miss her gentle ways, her encouragement and her love, and we seal her memory in our hearts.
